## Flower Meanings

### Planning your Event – Step by Step

Bridal bouquets are the perfect opportunity for the bride to express her own unique style. The size and style of the bouquet or floral arrangement should compliment the type and style of the bridal gown.

Simplistic wedding dresses need an elaborate bouquet to give the overall look some extra pizzazz; perhaps some extra colour or a unique exotic bloom, while an elaborate wedding dress is best suited to a classic bouquet. All these elements need to tie in with your bridal accessories too.

Flower meanings can certainly add a special dimension to your bridal bouquets, especially if you choose a flower your fiancé gave you while he was courting, for instance. Our guide below explains the name and the meaning behind each flower, with its corresponding picture.

Name		Meaning
<b>Acacia</b>		Concealed Love, Beauty in Retirement, Chaste Love, Platonic Love
<b>Absinth - Wormwood</b>		Torment of Love, Separation
<b>Agapanthis</b>		Immortality
